The [Camping Field](#) has 14 good-sized pitches for tents, trailers, motor homes or caravans on a flat, well drained, grassy site. There is a well-maintained toilet & shower block with a washing-up point, chemical disposal point and adequate fire safety provisions. There is easy access (*footpath 5 minutes walk*) to a safe sandy beach, [we do not have](#) a shop, a children's playground or a clubhouse. [We are not able to offer electric hook-up points or hard-standings for caravans](#), however a battery re-charging point and a small freezer is available for campsite use.

The toilet and shower block is by key access. Hot water for showers, washing-up and wash basins is included in the campsite fee.

Laundry facilities are available for all our holidaymakers in the Campsite Shower block Utility Room, containing an automatic washing machine, a dryer, and ironing facilities all operated by a £1.00 coin meter.

Terms:- Camping field - **£12.00** per unit (*Caravan, Motor-home, Trailer Tent or Tent*), + 1 Vehicle per night

Pitches may be booked in advance by sending a non-returnable deposit of £10.00 per pitch (*made payable to T & D Holidays*) - this payment can then be used as your Utility Block Key Deposit - (*see above*) - over the duration of your holiday. (Why not book on line?)
